

ONLINE MASTER OF EDUCATION IN LEARNING DESIGN AND TECHNOLOGY

ILLUMINATE YOUR CLASSROOM

The online Master of Education in Learning Design and Technology from Saint Mary's integrates educational technology insights and groundbreaking research on the way people learn. This transforms educators into master teachers who are ready to connect with today's diverse learners.

This progressive program was designed by K-12 and higher education administrators and educators and goes beyond theory to help you discover new ways to educate and inspire students.

Upon completion of the Saint Mary's M.Ed. in Learning Design and Technology program, graduates will be able to:

- > Ignite learning by incorporating new knowledge
- > Center the learner by creating individual capacity
- > Design instruction for individualizing learning
- > Exchange and communicate to create shared solutions
- > Initiate school change

DISCOVER THE BENEFITS

Learn what sets the Saint Mary's online Learning Design and Technology graduate program apart from the competition:

- > **REAL-TIME APPLIED LEARNING:** With innovative and in-demand courses, investigations of learning, teaching and rethinking education you can apply what you learn in your classroom the next day.
- > **INNOVATIVE CURRICULUM:** Redefine what constitutes teaching in the 22nd century by learning how to optimize the intersection among content, pedagogy and technology.
- > **INDUSTRY EXPERTS:** Learn from and network with instructors who are practitioners in the field.
- > **NATIONAL RECOGNITION:** Saint Mary's is regularly ranked among the nation's top higher education institutions by U.S. News & World Report, the Princeton Review and Forbes.
- > **COMMUNITY OF SUPPORT:** From technical to academic support, our caring instructors and staff provide multiple layers of support to help you achieve your educational and professional goals.
- > **IPAD INCLUDED:** Receive an iPad complete with productivity apps and our mobile learning platform to interact with instructors and classmates in a revolutionary way.
- > **AFFORDABLE TUITION:** Saint Mary's is committed to making graduate education accessible and affordable for students.
